

Chamber of Eco Commerce

Business Liaison (BL)

The Business Liaison (SBL) opportunity is based on geography, and fits well with independent Management Consultants. We provide our Business Liaisons training and ongoing support. Candidates are required to complete a brief questionnaire below. We will respond with available opportunities and proposal within 30 days. First come, first qualified basis.

Requirements

- To become an official Business Liaison, you will be required to apply for a designation.
- Establishing a Business Liaison status requires training provided by Chamber of Eco Commerce Leadership Team.
- As a designated Business Liaison, you will have the opportunity to offer your contacts SCE offerings, while receiving a compensation on your sales.
- The advantage of a Business Liaison designation is that it does not require annual sales requirement.
- As a Business Liaison, you will have a designated region or industry in which you can operate and deliver specific services to your clients.
- There is no initial investment requirements for a Business Liaison.
- Territories and service offerings will be defined in each Business Liaison contract and will provide protection for that region or a service category.
