

## TransAtlantic Education Leadership Exchange (TELE) - September 17, 2015

### 3rd Annual Education Symposium 2015 - ATLANTA

**May 27, 2015, Nordic Business Review (NBR) Atlanta** --- The Finnish American Chamber of Commerce of the Southeast, Inc., Scandinavian American Foundation of Georgia (SAFG), and Nordic Business Review (NBR) invite you to participate in the 3rd Annual Education Symposium in Atlanta: **Thursday, September 17, 2015 at [Junior Achievement's Discovery Center at the Georgia World Trade Center Atlanta](#).**

The Symposium features Expert Speakers from Finland and Georgia, various presentations on **insights into K-12 Education and E-Learning**, followed by a panel discussion and networking reception.

#### Why We Do This?

The Finns have long prided themselves on their educational expertise, and their stellar results in the Program for International Student Assessment (PISA). The Finnish education experts seek to share their homegrown educational expertise, practices, and e-learning solutions with Educators, and Policy, Non-Profit, and Business Leaders across Georgia.

#### What Can You Expect?

The speakers will share their experiences and best practices on K-12 education and e-learning to facilitate **Transatlantic Education Leadership Exchange (TELE)** between Finland and Georgia. The Symposium will be a great opportunity to learn from one another, and to build partnerships with participants. The emerging technologies (ICT) have facilitated the rapid expansion of e-learning. Delivery of courses through distance learning, e-learning and blended learning, makes it possible to ensure equal possibilities of receiving education and continuous learning for all people, regardless of their place of residence, social and economic status.

#### Why Should You Attend?

You will:

- Walk away with SMART strategies, plan of action, inspired, and real connections.
- Be better equipped to design and execute successful K-12 programs and strategies.
- Have the chance to interact directly with many thought Education, Policy, and Industry leaders.
- Gain perspective that will help you make the right decisions.
- Get the information how your organization can participate and benefit from TELE
- Hear exclusive, real-life stories that translate into clear, actionable takeaways.
