

## Chamber of Eco Commerce

Greetings from Atlanta!

To increase bilateral SMART trade between U.S. and Europe, the Chamber of Eco Commerce, in partnership with SMART Community Exchange and USANOR, will host the 5th Annual Investing in SMART Innovation Summit, May 18, 2017 in Atlanta.

This international business roundtable will attract Leaders from Business, Government, NGO, Academia, and Non-Profits, to discuss bilateral trade and investment opportunities.

Please join us to share and learn, and to meet the SMART Community Exchange EU delegation, and International Business Leaders and Investors seeking to enter or expand their business in the U.S. market, or international market:

SMART Community Exchange (SCE) Americas will be launched at the event, and all participants will be invited to a Trade Mission to Scandinavia, September 3-7, 2017.

Limited seating, first come.

Welcome to Atlanta - the SMART Tech Hub of the South!
